// Our Mission

At **Ali-Brothers** we believe in building long term customer relationship, by providing high-quality affordable products with unmatched customer service.

Our mission is to build our brand loyalty by concentrating on quality instead of quantity. We want to expand our business and customer base while maintaining our trust bond through long-term relations which continue generation after generation.

We strive to revive the textile industry by providing helping hand in the production and supply of exceptional quality raw material in the form of fine lace trims, labels and thread yarns.

We also work hard in maintaining our quality standards by constant research and development in finding the innovative products to fulfill our customer demands, in-keeping with the latest trends and technologies.

PRODUCT/ SERVICES

LABELLING DEPARTMENT

“ The right label provides brand identification with proper care and laundry instructions for any textile product in the most convenient and summarized form. In **Ali-Brothers** we have a dedicated department for label designing, development and production.

Our RND department ensures the correct designing and production of proper labelling, suitable for the product to be used for. Our experienced staff always provide computerized artwork and physical samples for approval before the final production of bulk labelling products, to minimize the wastage of time and raw material. ”

HANG TAG

We also design and produce, custom hangtags through our expert graphics designing team.

These hangtags are an attractive way to promote your brand logo by displaying other vital information as per international requirements.

BARCODE STICKER

Barcode and carton stickers provide an essential source of product and batch identification without opening the physical packaging, as per International standards.

This provides efficient management, storage and disposal of products according to their batch numbers and production dates.

We at **Ali-Brothers** have dedicated team of professionals, capable of designing and manufacturing of correct barcode and carton stickers to facilitate efficient packing and delivery of merchandise, both nationally and internationally.

PACKAGING DEPARTMENT

An attractive packaging that is functional at the same time is an important factor in product selling.

We at **Ali-Brothers** provide one-stop solution from designing to printing and creation of an attractive and practical packaging as per international standards.

All our packaging material and hangtags are made from high-quality card stuff which can stand considerable wear n tear and tough transportation conditions.

NARROW FABRIC PRODUCTION

We are leading manufacturers and suppliers of narrow fabric/textiles in the region.

We produce the highest quality of narrow lace trims and elastic bands suitable for use in home furnishings and garments.

Our narrow fabric products include elastic bands, both woven as well as jacquard, lace trims, drawstrings, woven cords, twill tapes and cotton as well as satin ribbons.

CERTIFICATION

Forest Stewardship Council (FSC)

Our License No:C169062

FSC (Forest Stewardship Council) certification acts as a catalyst for improving standards in forest management. It brings economic benefits and facilitates environmental benefits for biodiversity and ecosystems.

FSC certification ensures that products come from responsibly managed forests that provide environmental, social and economic benefits.

International Organization for Standardization (ISO 9001)

ISO 9001 is defined as the international standard that specifies requirements for a quality management system (QMS).

Organizations use the standard to demonstrate the ability to consistently provide products and services that meet customer and regulatory requirements.

OEKO-TEX (In Process)

Oeko-Tex labels and certificates confirm the human-ecological safety of textile products and leather articles from all stages of production (raw materials and fibres, yarns, fabrics, ready-to-use end products) along the textile value chain.

STANDARD 100 is a product label for textile products from all processing stages that have been tested for harmful substances.

Trims Supplier Qualification Program (TQP)

This is an annual audit of Trims Supplier Qualification Program (TQP) for M.Y. & Union (BD) Limited.

The Trim Qualification Program focuses on production capability and quality control systems.

Minimizing risks from product recalls and test failures.
